BUTLER FARM SHOW NAMED EDUCATOR OF THE YEAR

*Written by Ron Fodor, District Manager of the
Butler County Conservation District, and
printed in the Butler Eagle (March 28, 2011)*

The Butler Farm Show was honored to receive the Conservation Educator of the Year award at the annual Farm City Banquet on March 21, 2011. Over the years, the Farm Show has educated thousands of people about all aspects of farming and agriculture.

The Farm Show board is a diverse group of 20 members coming from agriculture, retail business, banking, finance and industry. The group works hard all year to plan and implement the exhibits and entertainment. They serve without pay. (In fact, over 200 VOLUNTEERS work at the show.)

The Butler County Conservation District was founded 50 years ago under a tent at the 1961 Butler Farm Show.

IN MEMORIUM

EVERETT "SPINNER" GREEN
Written by Cody Stephenson

4-H lost a good friend and supporter last year. Spinner Green received the 2010 Butler County "Friend of 4-H" award just a month before he passed away at the age of 74 on December 17, 2010. Born on March 20, 1936, in Canonsburg, Spinner demonstrated his dedication to his community for many years. Through his involvement in community activities such as umpiring and DJing, he always showed himself to be a very generous and caring individual who had a passion for music and youth. Spinner always had a smile on his face and offered encouraging words to kids. He generously donated his time and talents at many 4-H events, including the Friday night dance at the Butler Farm Show. He truly enjoyed mingling with kids and was very proud of the various 4-H and youth projects. Spinner Green will truly be missed by all those whose lives he touched.
