Eagle Bowl Farm Show Family Award

A stainless steel bowl is awarded annually by the BUTLER EAGLE to the Butler Farm Show family that participates to the greatest extent and with the highest degree of success in the Butler Farm Show. Consideration is given to the quality, quantity and variety of exhibits and entries. Important criteria also include good sportsmanship, volunteerism and a high level of involvement by all members of the family in support of the Butler Farm Show. A family is defined as a group of individuals with personal investments in a single production unit promoting family agricultural traditions.

The Eagle Bowl will be engraved with the name of the family which, in the judgment of the Awards Committee and the Butler Farm Show Directors, excels on these criteria. The same family may not win the award two successive years.
