

RULES FOR ALL EXHIBITORS

IMPORTANT NOTICE

The Farm Show will NOT mail premium (prize) checks. If your item earned a ribbon, you probably earned a cash award. If you cannot pick up your check Saturday night or Sunday from 1 PM to 2 PM, please drop off a long (#10) self-addressed stamped envelope in the Farm Show office before or during show week.

CHECKS MUST BE CASHED BY SEPTEMBER 30 OR THEY BECOME NULL AND VOID.

1. The Board of Directors of the Butler Farm Show has the right to accept or refuse any entries.
2. All exhibitors agree to be bound by the rules and regulations of Butler Farm Show. The show management reserves the right to amend or add to these rules and regulations as its judgment may determine.
3. NO alcoholic beverages, drugs, dogs or pets permitted on the grounds. (Only registered service dogs are admitted.) Persons using alcohol or other controlled substances will be expelled from the grounds. Minors caught drinking will be prosecuted to the full extent of the law.
4. Exhibitors will comply with all directions given by a Director, Farm Show Official or any police or security officer. Failure to immediately comply with the directions will be cause for the exhibitor to be disqualified and be prohibited from entering any future Butler Farm Show exhibitions or shows.
5. All exhibits will be shown under the direction of the Butler Farm Show Board of Directors and the appointed representative or department superintendents. The Butler Farm Show reserves the right to interpret all rules and regulations governing the show and will make decisions based on interpretation of the rules as may be necessary for the proper conduct of the show. All interpretations and decisions will be final.
6. The exhibitor agrees to and shall assume all risks of injury to people and/or animals and/or damage to any property.
7. Violations of the rules or conduct contrary to the best interest of the Butler Farm Show will not be permitted. Exhibitors or others who persist in such violations or conduct will be asked to remove their exhibits and to leave the grounds. No fees or charges will be refunded and premiums will not be paid in such cases.

8. Protests for any violation of the rules may be made to the Butler Farm Show Board of Directors by an exhibitor or their designated representative. All protests must be presented, in writing, to the Butler Farm Show Office within 24 hours of the alleged violation. A \$100.00 cash deposit must accompany all protests. Following investigation into the alleged violation, the \$100.00 deposit will be returned to the exhibitor if the protest is upheld. If the protest is denied, the \$100.00 fee is non-refundable. The decision of the Butler Farm Show Board of Directors regarding a protest shall be final and considered accepted by all exhibitors. Video footage, recorded by individuals, will not be reviewed as evidence in a protest situation.

RULES FOR ALL EXHIBITORS (CONT.)

9. LATE ENTRIES ARE NOT ACCEPTED in any department. NO EXCUSES - NO EXCEPTIONS. Check the entry time for each department you are entering and be on time.
10. Exhibitors must have an exhibitor's number. It starts with the initial of your last name and must be included when you write your number on entries. Call the office by the Friday before the show to obtain a new number or to retrieve your number from previous years. Use the same exhibitor's number for everything you enter in every department. Entries may be disqualified if the exhibitor's number, name and city are not on the tag.
11. All exhibits and exhibitors will be ready at 9:00 AM on the first day of show, except where judging is occurring.
12. Every precaution will be taken to protect the exhibits on display from injury and damage, but the Farm Show cannot, in any way, be held responsible for accidents, damage to or loss of property by water, fire, theft, or whatever may be the cause or extent of the damage or loss.
13. **Exhibits and/or exhibitors leaving the show early without permission will NOT receive premium checks; they will FORFEIT all award money, and next year's participation will be at the discretion of the board.**
14. Premiums as listed may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a prize or prizes of such grade as the exhibit deserves. Placement and premium on single entries in a class will be determined by the judge.
15. **Premium cards or ribbons have no value as to the payment of premiums. Premiums are paid only by the records in the judge's book. The office has that information after the show closes.**
16. The show reserves the right to determine how many entries they will accept from any exhibitor in the same class or in the same livestock species.
17. It is the responsibility of the exhibitor to present a plainly-marked entry tab showing the name of the exhibit they are entering. **Any item entered in the wrong category will be disqualified**, but the judges will mark the correct name of the entry on the tag for the benefit of the owner. **If there is a category listed for an entered item, the item may NOT be entered in "Other."** If award ribbons are stolen or destroyed, the exhibitor may receive a duplicate, free of charge, at the close of the show.
18. **Committees reserve the right to refuse any entry.** Furthermore, the committees reserve the right to bar from competition animals, vegetables, flowers, poultry products and home-produced articles of decidedly inferior quality and/or those not possessing sufficient merit to warrant recognition.
19. If the show management believes that any exhibits were made in previous years or not made by the exhibitor, those exhibits may be refused or disqualified.
20. The decision of the judges will be final in all cases except where mistakes, fraud, misrepresentation or collusion, not

discovered at the time of judging, is proven. In that case, such person(s) as the Board of Directors may appoint will make the decision.

21. **The show management may, at any time, order the removal of any exhibit or part of exhibit in bad condition, and any article unfit to show may be excluded.** Exhibits may NOT be removed at any time before the close of the show except by consent of the management. Removal of an exhibit without consent of the department superintendent will forfeit all premiums and next year's participation will be at the discretion of the board.
22. **During the judging, buildings, except livestock arenas, are closed to everyone except fair officials, judges, and necessary attendants.** An exhibitor or his/her agent shall NOT communicate with the judge during time of determining the awards, except to answer questions proposed by the judges. Any exhibitor interfering with the judge while making awards shall forfeit any premiums to which he/she would otherwise be entitled. **Buildings for Departments 11 - 23 will be opened by approximately 4:00 on Monday.**

SPECIAL CONTESTS FOR JUNIOR LIVESTOCK EXHIBITORS

ULTRASOUND LIVE “CARCASS” CLASSES SUPERINTENDENT - LUKE VOGEL

**SCANNING: SUNDAY 7:00 PM (after weigh in)
RESULTS: BEGINNING OF
EACH SPECIES MARKET SHOW**

See Species Sections for registration information.

The Butler Farm Show is adding a live “carcass” class using ultrasound scanning. In 2019 the Farm Show provided a demonstration for the youth and parents to show how ultrasound scans were utilized and what the results indicated. This year the event itself will follow a similar pattern and is competitive with winners and paid premiums in each of the four species (market steers, market lambs, market pigs, and market goats).

- Scans will be taken Sunday evening for those who designate an animal on their Farm Show entry form.
- To show in a “carcass” class, members must carry at least two (2) market projects - a regular, live market project and a “carcass” market project. These do not need to be the same species. For example, if you wish to show a steer, you may designate a “carcass” lamb.
- You will receive your tags at tag pick-up or tag-in. Your “carcass” animal will be one of your designated market animals.
- When you turn in entries for the Butler Farm Show, you must designate which animal will be used for the “carcass” class. This animal may be shown **ONLY** in the “carcass” class.
- You may use your “carcass” animal for showmanship.
- Animals must be show worthy; that is, they must be clean and trained to lead and be handled. While the animals will be judged on the ultrasound scan, you still have to show your animal in the ring for the announcement of the results and for the sale.
- It is recommended, but not required, that the designated “carcass” animal be slick-sheared and **NOT** fitted.
- Results and placings will be announced at the beginning of the market show of that species: Monday - Goats and Pigs; Tuesday - Lambs; Wednesday - Steers.
- “Carcass” animals will be allowed to sell in the sale. However, project members are limited to selling two (2) lots in the Jr. Livestock Sale. A “lot” is defined as a steer, a pig, a lamb, a goat, a pen of rabbits, a pen of poultry, a carcass steer, a carcass pig, a carcass lamb, or a carcass goat.
- For this year, one class per species - no matter the size as long as it is within the weight limits for that species. (Beef - 1,000 - 1,500 lbs.; Lambs - 90 - 160 lbs.; Hogs - 220 - 300 lbs.; Goats - 60 - 125 lbs.)
- Premiums will be paid with the winner of each species receiving a rosette and an award at the Friday night awards program. Premiums will be the same as live market projects, and all entries will receive a premium.

ANIMAL HEALTH REGULATIONS

IMPORTANT:

***ALL ANIMALS AND HEALTH PAPERS
MUST BE CHECKED BEFORE UNLOADING.***

All animals admitted to the Farm Show will be subject to inspection by show officials and will be rejected if evidence of infectious, contagious or parasitic disease is apparent or if health certification or identification documentation is not acceptable. The animals must comply with applicable state (7PA Code) or federal (9CFR) rules.

Animals known to be infected with any such diseases and animals restricted by quarantine may not be shown or displayed.

All show animals returning home from shows should be isolated from other members of the herd or flock for 30 days to help prevent the spread of disease.

**HEALTH REQUIREMENTS FOR EACH SPECIES
ARE LISTED IN THEIR RESPECTIVE DEPARTMENTS.**

**Out-of-state exhibitors should contact
the Farm Show Office or
the PA State Dept. of Agriculture
for additional health rules.**

GUIDELINES FOR CARE OF ANIMALS

BUTLER FARM SHOW EXHIBITORS ARE EXPECTED AND REQUIRED TO CARE FOR ANIMALS IN A MANNER THAT IS RESPONSIBLE AND ETHICAL. THE BOARD OF DIRECTORS RESERVES THE RIGHT TO DISQUALIFY AN ENTRY, DISQUALIFY AN ENTRY AND REMOVE IT FROM THE GROUNDS, AND/OR REJECT ENTRIES FOR NEXT YEAR IF THESE GUIDELINES ARE NOT FOLLOWED.

1. RESTRAINING ANIMALS

- a. Animals should be tied or penned in a manner that will not hurt the animal or restrict its breathing in any way.
- b. Animals should be tied so that all four feet are firmly on the ground and they have enough room to stand comfortably and lie down.
- c. Animals should be tied so that they are not able to injure animals tied near them.
- d. Animals unaccustomed to each other should not be penned together.

2. HANDLING

Any type of rough handling, such as punching or kicking, which could harm an animal is prohibited. The use of whips, canes, and show sticks should be restricted to showing only and then be used only to guide the animals, not punish them. Remember, animals will respond quicker and better to quiet, gentle handling, than loud, rough handling.

3. BEDDING

All animals should have bedding that is dry and clean. Pens should be regularly cleaned throughout the day to keep the animals clean and comfortable. If non-traditional bedding such as carpeting is used, it should be regularly cleaned (at least twice daily) to keep the pen free from manure.

GUIDELINES FOR CARE OF ANIMALS (CONT.)

4. FEEDING & WATER

Animals should be well-fed and have access to clean water at all times. Realizing that many market animals must have restricted amounts of feed to maintain the proper weight, animals must be fed adequate amounts of feed to meet the animal's basic requirements. Animals not allowed reasonable access to clean feed and clean water will be disqualified from the show.

5. HEALTH

It is the responsibility of the exhibitor to provide proper health care for their animals through routine inspections and consultation with health care professionals. The improper or illegal use of drugs or antibiotics is prohibited. If medication is indicated, be sure to follow the label directions and allow more than the stated withdrawal time.

6. CARE OF THE BARN AND EXHIBIT AREAS

Each exhibitor is asked to assume responsibility to keep all public areas clean and clear of animal waste for the protection of our guests. Encourage visitors to use the hand washing stations. Do not encourage petting of animals.

7. TRANSPORTATION

Animals should be transported in a way that is both safe and considerate of the animal's well-being.

8. BLANKET/SWEAT COLLARS

Any type of material such as blankets or sweat collars should be large enough to permit normal body functions such as breathing, eating, drinking or lying down.

PA STATE & NATIONAL CODE OF SHOW RING ETHICS

***THE BUTLER FARM SHOW HAS ADOPTED
THE PA STATE AND NATIONAL CODE OF
SHOW RING ETHICS
AS RULES FOR ALL ANIMALS ENTERED.***

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial & national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibi-

CODE OF SHOW RING ETHICS (CONT.)

tion in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. **Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing.** Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. **Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.**

If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed vet.

CODE OF SHOW RING ETHICS (CONT.)

- 5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.**
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show against such individuals published in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the "IAFE National Code of Show Ring Ethics" and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
